

COSHH Risk Assessment No: ICA202518

Product Name: Vazor DE

Company name:
ANSTON PEST CONTROL LTD

Dept. (if applicable): 16-06-2022

Describe the activity or work process.
(Inc. how long/ how often this is carried out and quantity substance used)

An insecticidal powder. For Biocidal applications.
Vazor® DE Powder should be dispensed from the tub for use in application equipment or distributed on the ground straight from the packet. Apply the powder until a fine covering is present on the surface. Vazor® DE Powder will remain dry and effective for long periods but optimal results will be achieved when treatment areas are dried before application. Apply in such a way as to maximise potential for contact between the product and the target pest. In certain premises/situations this may involve moving products, drying out the area or otherwise making changes to the harbourage to increase contact with the pest

Location of process being carried out?

Domestic, commercial, institution & commercial premises, gardens, pets' quarters, kennels, pigeon lofts, waste bins/ storage areas, poultry houses and stored product premises.

Identify the persons at risk:

Employees

Sub-contractors

Public

Name the substance involved in the process and its manufacturer.

(A copy of a current safety data sheet is attached to this assessment)

**Killgerm
Vazor DE**

Classification *(state the category of danger)*

	<input type="checkbox"/> Toxic		<input type="checkbox"/> Oxidising		<input type="checkbox"/> Gas Under Pressure
	<input type="checkbox"/> Harmful/ Irritant		<input type="checkbox"/> Flammable		<input type="checkbox"/> Carcinogen
	<input type="checkbox"/> Corrosive		<input type="checkbox"/> Explosives		<input type="checkbox"/> Dangerous for the environment

First Aid Measures

Description of first aid measures

Ingestion (swallowing): Rinse the mouth thoroughly with water. Give copious water to drink. Consult doctor if necessary.

Inhalation: Remove person from danger area. Supply person with fresh air and consult doctor according to symptoms

Skin contact: Remove polluted, soaked clothing immediately, wash thoroughly with plenty of water and soap, in case of irritation of the skin (flare), consult a doctor.

Eye contact: Wash thoroughly for several minutes using copious water. Seek medical help if necessary. Do not rub. Product is mechanically abrasive.

Storage

Store in tightly-closed, original container in a dry, cool and well-ventilated place

Disposal of Substances & Contaminated Containers

Hazardous Waste Skip Return to Depot Return to Supplier Other

(If Other Please State):Cloths used should go in a fire proof tin and disposed of,

Is exposure adequately controlled?

Yes No

Risk Rating Following Control Measures

High Medium Low
